

SCIENTIFIC MEETINGS CALENDAR 2002

Information as of 06/27/03

DATE	TITLE [SPONSOR] / ABSTRACT DEADLINE/ INTERNET ADDRESS	PLACE	PLANNED COVERAGE	RELEVANT TOPICS	MATERIALS AVAILABLE FROM Yumiko Ueno
June 30 - July 3	British Cancer Research Meeting 2002 [Association of Cancer Physicians, British Association for Cancer Research, British Oncological Association, The Royal College of Radiologists, British Association of Surgical Oncology, Irish Association for Cancer Research] Abstract Deadline: February 15, 2002 http://www.icr.ac.uk/bacr/BCRM/BCRM2002.html	Glasgow, UK		Biological endpoints for evaluating novel therapies Selectivity: chemical mechanisms in drug activation and delivery	- Program (PDF) http://www.icr.ac.uk/bacr/BCRM/2002%20Programme.pdf
June 30 - July 3	25th Anniversary Conference of United Kingdom Environmental Mutagen Society (UKEMS) [United Kingdom Environmental Mutagen Society] Abstract deadline: April 30, 2002 http://www.swansea.ac.uk/cget/ukems/general/mar2002newsletter.htm	Plymouth, UK		Industrial Genotoxicology Group (IGG) Symposium & presentations on International Regulatory Developments; molecular cytogenetics; DNA repair and disease susceptibility	- Call for Abstracts and Call for Registration
June 30 - July 5	The 9th International Conference on Indoor Air Quality and Climate[IAIAS] Abstract deadline: October 1, 2001 http://www.indoorair2002.org/	Monterey, CA	M. Schorp (PMI)	Indoor-outdoor Air Continuum Health effects of particle exposure Asthma and indoor air Tobacco smoke science and policy	- Preliminary Information

SCIENTIFIC MEETINGS CALENDAR 2002

Information as of 06/27/03

June 30 - July 5	18th International Cancer Congress [Norwegian Cancer Society] Abstract deadline: January 20, 2002 http://www.oslo2002.org/	Oslo, Norway		lung cancer; cancer epidemiology; angiogenesis	- Scientific Program
July 3 - 5	New Drugs for Respiratory Diseases [IUPHAR] Abstract deadline: http://www.iuphar2002.org/Respiratory_Diseases/index.htm	San Diego, CA		What is COPD and asthma? ; How were the drugs used today discovered?; How are drugs currently being discovered including consideration of bioinformatics, proteomics and animal models?; The design of clinical trials for COPD and asthma; Regulatory Issues	- Preliminary Program
July 6	Non-Neuronal Acetylcholine: Signaling Pathways and Major Biological Effects in Humans [IUPHAR] http://www.iuphar2002.org/Satellites.htm	San Francisco, CA		Synthesis, release and degradation of non-neuronal acetylcholine in human tissue; Autocrine and paracrine communications by non-neuronal acetylcholine; Expression and function of non-neuronal acetylcholine in the immune system; The non-neuronal cholinergic system in human disease; Cholinergic drugs targeting the non-neuronal cholinergic system	- Preliminary Information
July 7 - 12	XIV World Congress of Pharmacology [IUPHAR] Abstract deadline: January 31, 2002 http://www.iuphar2002.org	San Francisco, CA		Proposed topics to include: molecular and environmental toxicology; cardiovascular pharmacology; neuropharmacology	- Preliminary Program

SCIENTIFIC MEETINGS CALENDAR 2002

Information as of 06/27/03

July 8 - 12	Reactive Oxygen and Nitrogen Species: Diagnostic, Preventive, and Therapeutic Values Abstract deadline: May 15, 2002 http://info.medcity.ru/RN/	St. Petersburg, Russia		Pulmonary diseases Cardiovascular diseases Free radical reactions in cell: mechanisms, signaling and apoptosis	- Preliminary schedule
July 16 - 20	Xith Biennial Meeting of the Society for Free Radical Research International [SFRR-Europe] Abstract deadline: March 15, 2002 http://www.sfr-europe.unimo.it/	Paris, France	M. Schorp (PMI)	Chemistry of free radicals Oxidative stress-associated cell signaling Biochemical and molecular mechanisms of antioxidant functions Role of free radicals in health (physiology) and diseases (pathology) in humans, animals and plants	- Preliminary Schedule
July 21 - 26	Mechanisms of Toxicity [Gordon Research Conference] Abstract deadline: not yet available http://www.grc.uri.edu/programs/2002/toxicity.htm	Lewiston, ME		applications of genomics and proteomics in toxicology; redox regulated transcription control; developmental toxicology; genetic susceptibility to toxicants	- Preliminary Program
July 22 - 25	Activation of cell surface receptors: New insights into ligand-gated ion channels and G protein-coupled receptors [British Pharmacological Society/Inaugural James Black Conference] Abstract deadline: April 28, 2002 http://www.bps.ac.uk/BPS.html	Cambridge, UK		GPCRs; ligand-gated ion channels; orphan receptors;	- Provisional Program

SCIENTIFIC MEETINGS CALENDAR 2002

Information as of 06/27/03

August 11 - 15	<p>Linking Exposures and Health - Innovations and Interactions [International Society of Exposure Analysis (ISEA)/International Society for Environmental Epidemiology (ISEE)]</p> <p>Abstract deadline: February 15, 2002</p> <p>http://www.conferences.ubc.ca/isea/isee2002/</p>	Vancouver, Canada		<p>children's environmental health issues;</p> <p>exposure modelling: comparing environmental and occupational approaches;</p> <p>challenges in communicating research results</p>	- Draft Program
August 18 - 22	<p>XVI World Congress of Epidemiology of the International Epidemiological Association [IEA]</p> <p>Abstract deadline: March 15, 2002</p> <p>http://www.iea2002.com/index_frame.html</p>	Montreal, Canada		<p>Proposed topics to include:</p> <p>cancer,</p> <p>cardiovascular diseases,</p> <p>children's health,</p> <p>environmental and occupational determinants,</p> <p>social causes of disease</p>	- Scientific Program
August 21 - 24	<p>The 21st Nordic Congress of Allergy [The Icelandic Allergy & Clinical Immunology]</p> <p>Abstract deadline: May 1, 2002</p> <p>http://www.congress.is/nca/</p>	Reykjavik, Iceland		<p>allergy/asthma beyond 2002;</p> <p>pediatric asthma;</p> <p>airway remodelling</p>	- Preliminary Program
August 25 - 28	<p>The 19th IATMO Conference 2002</p> <p>Abstract deadline: June 15, 2002</p> <p>http://www.iatmo.dk/IATMO-1.htm</p>	Vejle, Denmark		<p>Cell cycle regulators and cancer</p> <p>Plasma DNA</p> <p>Application of proteomics in cancer</p> <p>Analytical quality specifications for tumor markers used for monitoring</p>	- Scientific Program

SCIENTIFIC MEETINGS CALENDAR 2002

Information as of 06/27/03

August 28 - 30	22nd Meeting of the European Society of Microcirculation: The Microcirculation and Vascular Biology Abstract deadline: April 5, 2002 http://www.hamptonmedical.com/22ndESM.htm	Devon, England			- Main Announcement and Call for Abstracts
August 28 - 31	10th International Conference on the Combined Effects of Environmental Factors/ICCEF 2002 [Department of Hygiene and Public Health, Osaka Medical College] Abstract deadline: not yet available	Osaka, Japan			- Second Announcement and Call for Papers
August 29 - 30	British Association for Lung Research Summer Meeting: 'Leukocyte trafficking to the lung' http://www.bps.ac.uk/pubmeetings.html	Dublin, Ireland		Cell cycle regulators and cancer Plasma DNA as cancer markers Application of proteomics in cancer Analytical quality specifications for tumor markers used for monitoring	- Preliminary Program
August 31 - September 4	ESC Congress 2002 [European Society of Cardiology] Abstract deadline: February 14, 2002 http://www.escardio.org/index.htm	Berlin, Germany		prevention, diagnosis and treatment of cardiovascular disease	- Preliminary Information
August 31 - September 4	8th FECS Conference in Chemistry and the Environment [The Federation of the European Chemical Societies] Abstract deadline for oral presentation: April 30, 2002 Abstract deadline for posters presentations: May 31, 2002 http://www.eex.gr/conference2002/	Athens, Greece		human exposure research: needs and approaches	- Second Announcement and Call for Papers

SCIENTIFIC MEETINGS CALENDAR 2002

Information as of 06/27/03

September 1 - 4	8th Central European Lung Cancer Conference [Austrian Association for the Study of Lung Cancer (AASLC) and the International Association for the Study of Lung Cancer (IASLC)] Abstract deadline: April 10, 2002 http://www.europeanlungcancer.cc/	Vienna, Austria		biology of lung cancer, risk assessment, prevention strategies	- Second Announcement and Call for Abstracts
September 1 - 6	Molecular Epidemiology : Biomarkers of Exposure, Susceptibility & Disease http://www.leeds.ac.uk/medicine/res_school/mol_epid/shortcourse.html	Leeds, UK		Relevant epidemiological methods Basic biological mechanisms Biomarkers of exposure, susceptibility and disease progression Awareness of emerging technologies and their potential application	- Preliminary Course Information
September 2 - 5	5th Siena Meeting from Genome to Proteome: Functional Proteomics [Universities of Geneva and Siena] Abstract deadline: May 6, 2002 http://www.unisi.it/eventi/proteome/	Siena, Italy	M. Schorp (PMI)	Nobel laureate Renato DULBECCO "From genome to proteome" Protein characterization Protein profiling by a genomic approach	- Preliminary Program
September 2 - 6	Molecular Techniques for Life Sciences, A five day practical molecular biology workshop [Glasgow Caledonian University] Abstract deadline: N/A http://www.sbbs.gcal.ac.uk/short_courses/Molecular_Techniques/index.html	Glasgow, UK			- Course content

SCIENTIFIC MEETINGS CALENDAR 2002

Information as of 06/27/03

September 3 - 7	32nd Annual Meeting of European Environmental Mutagen Society - DNA Damage and Repair Fundamental Aspects and Contribution to Human Disorders [Institute of Biochemistry and Biophysics, PAS] Abstract deadline: May 15, 2002 http://poczta.ibb.waw.pl/Centr-Dosk/eems/Index.html	Warsaw, Poland		DNA damage in mutagenesis; exocyclic DNA adducts; oxidative DNA damage; repair processes in diseases and ageing	- Second Announcement
September 5 - 7	The 2nd Conference on New Perspectives in the Treatment of Small Cell Lung Cancer [medex] http://calendar.uicc.org/2002/02090503.shtml	Lausanne, Switzerland			-
September 8 - 10	British Toxicology Society Autumn Meeting Inter-Individual Variation in Toxic Response: Implications for Risk Assessment [BTS] Abstract deadline: not yet available http://www.thebts.org/meetings/pages/framecal.html	Manchester, UK			- Preliminary Program
September 8 - 11	Roomvent 2002 Air Distribution in Rooms [SCANVAC/ DANVAK/SHASE/REHVA/ASHRAE/ISIAQ] Abstract deadline: November 1, 2001 http://www.roomvent.dk/Default.htm	Copenhagen, Denmark		modelling techniques; measuring equipment and techniques	- Final Announcement

SCIENTIFIC MEETINGS CALENDAR 2002

Information as of 06/27/03

September 8 – 13	6 th International Aerosol Conference [Chinese Association for Aerosol Research In Taiwan (CAART/IARA)] Abstract deadline: March 15, 2002 http://caart.org.tw/iac2002/callforpaper.htm	Taipei, Taiwan		characteristics of ambient PM 2.5: data and interpretation; bioaerosols and public health; aerosol deposition and drug delivery; biological aspects of fine and ultrafine particles; respiratory dose assessment of inhaled particles in health and disease	- Preliminary Program
September 9 – 11	North European Working Environment Conference (NEWEC) New Developments In Working Environment and Health [National Institute of Occupational Health, Denmark] Abstract deadline: February 2002 http://www.osh-council.dk/newecprogram.htm	Copenhagen, Denmark		Indoor climate	- Final Announcement
September 11 – 13	16th EPICOH Congress on Epidemiology in Occupational Health [International Commission on Occupational Health (ICOH)] Abstract deadline: March 1, 2002 http://www.imim.es/epicoh2002/	Barcelona, Spain		biomarkers in occupational medicine	- Preliminary Program
September 13	Heritage, Health & Environment Sustainable Conservation Solutions http://www.env-bldg-solns.co.uk/Cardiff.doc	Cardiff, UK		Prof. D.F. Weetman: "Indoor allergens & health problems in buildings, Asthma & allergic reactions"	-Preliminary Schedule

SCIENTIFIC MEETINGS CALENDAR 2002

Information as of 06/27/03

September 14 – 18	<p>12th ERS Annual Congress [European Respiratory Society]</p> <p>Abstract deadline: January 21, 2002</p> <p>http://www.ersnet.org/2/2/2_2.asp</p>	Stockholm, Sweden	M. Schorp (PMI)	<p>Inflammatory airway diseases;</p> <p>cohort studies in paediatric asthma and respiratory medicine;</p> <p>COPD;</p> <p>smoking-induced lung injury;</p> <p>use of Induced sputum in assessing airways disease</p>	- Scientific Program
September 15 - 18	<p>EUROTOX '2002 Congress [European National Societies of Toxicology]</p> <p>Abstract deadline: May 1, 2002</p> <p>http://www.eurotox2002.org/</p>	Budapest, Hungary	H. Haussmann (INBIFO)	<p>new developments in Inhalation toxicology;</p> <p>harmonisation of test methods for regulatory hazard assessment;</p> <p>exposure modelling – inhalation;</p> <p>genotoxicity – threshold or not;</p> <p>hazard and risk communication in toxicology;</p> <p>cytotoxic and pathophysiological effects of peroxynitrite;</p> <p>genomics/proteomics</p>	<p>- Second Announcement</p> <p>- Scientific Program</p>
September 15 - 18	<p>5th International Conference of the Hospital Infection Society</p> <p>Abstract deadline: April 24, 2002</p> <p>http://www.his2002.co.uk/</p>	Edinburgh, UK			- Scientific Program
September 18 - 20	<p>The Annual Meeting of the Association of Inhalation Toxicologists [AIT]</p> <p>E-mail: ait@inveresk.com</p>	Ulm / Biberach, Germany		<p>Chronic obstructive pulmonary disease</p> <p>Toxicology investigations using juvenile animal models</p>	- Accommodation Booking Form

SCIENTIFIC MEETINGS CALENDAR 2002

Information as of 06/27/03

September 22 - 24	FourFive - Aging People and Work Life http://www.geron.org/calendar2.htm	Tampere, Finland			
September 22 - 27	2002 CORESTA Congress [RJR] Abstract deadline: April 12, 2002 http://www.coresta.org	New Orleans, LA		Smoke dosimetry/smoking behaviour and in vitro toxicology; TSNAs and integrated pest management	
September 23 - 25	The 3rd international Sustainable Building conference [The Norwegian Ecobuild Programme and the Municipality of Oslo] Abstract deadline: April 15, 2002 http://www.sb02.com/MainPage.htm	Oslo, Norway			Final Program will be ready in late August
September 23 - 26	High Information Content Screening [The Society for Biomolecular Screening] Abstract deadline for oral presentation: April 1, 2002 Abstract deadline for poster presentation: June 1, 2002 http://www.sbsonline.org/	The Hague, The Netherlands			- Technical Program

SCIENTIFIC MEETINGS CALENDAR 2002

Information as of 06/27/03

September 29 – October 3	2 nd World Assembly on Tobacco Counters Health (WATCH 2002) [WHO] Abstract deadline: May 31, 2002 http://www.watch-2000.org/	New Delhi, India		oncology; cardiology; pulmonology; passive smoking hazards; maternal and neo-natal	- Registration Brochure
October 3 – 5	4th European Conference of the Society for Research on Nicotine and Tobacco [SRNT] Abstract deadline: June 1, 2002 http://www.srnt.org/events/spain02/spain.html	Santander, Spain		Brain imaging Harm reduction Vulnerability to tobacco dependence	- Preliminary Information
October 5 – 13	RASS IX The Ninth Risk Assessment Summer School [IUTOX] Abstract deadline: N/A http://www.global-rass.org/rass_ix.html	Gozo, Malta		general and organ toxicology; immunotoxicology; reproduction toxicology; mutagenicity; carcinogenicity; risk evaluation	- Lecture Outline
October 6 – 10	33rd IUATLD World Conference on Lung Health & 3rd STOP TB DOTS Expansion Working Group meeting (IUATLD) Abstract deadline: April 15, 2002 http://www.iuatld.org/	Montreal, Canada	T. Major (PMI)	child lung health section; respiratory disease; tobacco prevention	- Preliminary Information

SCIENTIFIC MEETINGS CALENDAR 2002

Information as of 06/27/03

October 10 - 11	International Conference on Indoor Environment Quality in Hospital	Prague, Czech Republic			- Preliminary Information
October 9 - 12	4th International Conference on Advances in Pulmonary Rehabilitation and Management of Chronic Respiratory Failure Critical events in chronic respiratory failure [European Respiratory Society (ERS) /Associazione Italiana Pneumologi Ospedalieri (AIOP)] Abstract deadline: June 15, 2002 http://www.affetti.co.uk/stresa/home.html	Stresa, Italy		home ventilation: a European survey with health economics; severe vs mild COPD: a different disease?	- Scientific Program
October 12 - 15	Second Interdisciplinary Euroconference on Angiogenesis [ESH] Abstract deadline: September 1, 2002 http://www.esh.org/Agenda.htm	Cascais, Portugal		Vascular endothelial growth factors Mechanisms and factors in embryonic vascular development Pathological angiogenesis	-Preliminary Program
October 13 - 16	Molecular Approaches for Early Diagnosis and Treatment of Respiratory Diseases [Lovelace Respiratory Research Institute] Abstract deadline: July 12, 2002 http://www.lrrf.org/events/symposium/overview02.html	Sante Fe, NM		genomics; proteomics; genomic/proteomic techniques in diagnosis/treatment of lung cancer	- Preliminary Information - Call for Abstracts

SCIENTIFIC MEETINGS CALENDAR 2002

Information as of 06/27/03

October 14 – 18	<p>AACR Frontiers in Cancer Prevention Research conference [AACR]</p> <p>Abstract Deadline: July 10, 2002</p> <p>http://www.aacr.org/4311za.asp</p>	Boston, MA		<p>Models of genetic susceptibility</p> <p>Molecular epidemiology and tobacco</p> <p>Mouse models for cancer prevention</p> <p>Tobacco products intended to reduce cancer risk: issues and challenges</p>	<p>- General Information (PDF)</p> <p>- Preliminary Program</p>
October 16 - 19	<p>12th International Workshop on In Vitro Toxicology/INVITOX 2002 [European Society of Toxicology In Vitro]</p> <p>Abstract deadline: June 15, 2002</p> <p>http://www.xs4all.nl/~shorbech/invitox/</p>	Formia, Italy		<p>biomarkers of exposure and damage;</p> <p>Inflammation mechanisms and signal transduction in in vitro studies;</p> <p>proteomics and genomics and high-throughput screens in in vitro toxicology;</p> <p>Integrated testing strategy</p>	- Preliminary Program
October 17 - 18	<p>Pharmacogenomics: the Promise and Reality of Individualized Treatment</p> <p>Poster abstract deadline: August 14, 2002</p> <p>http://www.pasteur.fr/applications/euroconf/pharmacogen/index.html</p>	Paris, France		<p>The role of pharmacogenetics in cancer treatment in drug metabolism and in the treatment of common complex diseases</p>	- Preliminary Program
October 18	<p>Environmental Conservation of the Built Heritage</p>	Edinburgh, UK		<p>Prof. D.F. Weetman: "Indoor allergens & health problems in buildings, Asthma & allergic reactions"</p>	- Preliminary Program

SCIENTIFIC MEETINGS CALENDAR 2002

Information as of 06/27/03

October 18 – 22	27th ESMO Congress [European Society for Medical Oncology] Abstract deadline: May 6, 2002 http://www.esmo.org/congress/congress.htm	Nice, France		molecular cancer biology	- Preliminary Program
October 23 – 26	Energy Efficient & Healthy Buildings in Sustainable Cities [LASH (Building Sciences Laboratory), EEIG (International Network for Information on Ventilation)] Abstract deadline: May 31, 2002 http://epic.entpe.fr/	Lyon, France		Experimental techniques and monitoring; IAQ criteria in relation to sustainable building	- Preliminary Schedule
October 24, 2002	CIBSE National Conference (Part 2) http://www.cibse.org/index.cfm?action=ShowEvent&EventID=588&TopsecID=5&L1=202	London, UK			
October 25 - 28	The 7th Congress of the Asian Pacific Society of Respiriology (APSR) [Taiwan Society of Pulmonary and Critical Care Medicine] Abstract deadline: April 30, 2002 http://www.lspccm.org.tw/main.htm	Taipei, Taiwan		asthma; COPD; lung cancer	- Preliminary Information

SCIENTIFIC MEETINGS CALENDAR 2002

Information as of 06/27/03

October 27 - 31	ISSX 11 th North American Meeting [International Society for the Study of Xenobiotics] Abstract deadline: June 7, 2002 http://www.issx.org/Orlando.html	Orlando, FL		phase I and phase II enzymes	- Preliminary Scientific Program
October 28 - 29	3rd European Conference on Paediatric Asthma Abstract deadline: not yet available http://www.castlehouse.co.uk/asthma3/index.htm	London, UK		New Insights Into epidemiology of asthma	- Scientific Programs
October 28 - 30	Centuries of Tobacco-Caused Diseases & Mortality / First Annual Meeting of the International Society for the Prevention of Tobacco Induced Diseases [PTID] Abstract deadline: May 31, 2002 http://members.aol.com/toxicol98/ptid2002/index.htm	Essen, Germany	[Scientists associated with tobacco industry are excluded by PTID Bylaws]	acute or chronic health effects; epidemiology; psychology and psychiatry; passive smoking	
November 1 - 4	17th Asian Conference on Occupational Health Abstract deadline: June 30, 2002 http://www.acoh2002.org.tw/	Taipei, Taiwan		Theme: Work environment and health in the 21st Century: the Asian perspectives	- Preliminary Program

SCIENTIFIC MEETINGS CALENDAR 2002

Information as of 06/27/03

November 2 – 6	World Congress of Immunopathology "Allergy and Asthma – A Global Problem for the XXI Century" [International Society on Immunorehabilitation] Abstract deadline: September 30, 2002 http://www.isir.ru/			airway inflammation; asthma and allergic rhinitis; airway remodeling; epidemiology of allergy and asthma	- Preliminary Program
November 8	Conservation and Health Issues in the Historic Built Environment E-mail: ebs@ebssurvey.co.uk	London, UK		Prof. D.F. Weetman: "Indoor allergens & health problems in buildings, Asthma & allergic reactions"	-Preliminary Program
November 19 – 21	2002 National Conference on Tobacco or Health Abstract deadline: March 25, 2002 http://www.tobaccocontrolconference.org/2002Conference/	San Francisco, CA			
November 21 – 24	The Human Proteome Organization First World Congress [HUPO] Abstract deadline: August 15, 2002 http://www.hupo.org	Versailles, France	M. Schorp (PMI)	Dissecting cellular function: cell biology meets proteomics Human proteome effort throughout the worlds: collaboration between industry and academia Expression profiling in health and disease	- Preliminary Program

SCIENTIFIC MEETINGS CALENDAR 2002 **Information as of 06/27/03**

December 2 - 4	China-Japan Joint Conference on Toxicology & Pharmacology, 2002 Deadline for the registration of presentation: July 31, 2002	Shenzhen, China		Biochemical and molecular toxicology and pharmacology Genetic toxicology Neurotoxicology Genetic polymorphism and drug metabolism	- First Announcement
----------------	---	-----------------	--	--	----------------------
